## Message from the Chairman:

**Spirituality in conjunction with social service** promotes ethics, morality and ensures social harmony.

## What is UARDT?

Dr Umar Alisha believes that **Service to humanity is Service to God**, and Spiritual practice without selfless service to humanity has very little meaning. With that idea he has established **Umar Alisha Rural Development Trust** in year 2000. Through this trust all the social service activities are being taken up. Rural development is the backbone of National Development. If the Rural areas are stooped in darkness, ignorance, poverty and illiteracy the Country will be suffering from all these maladies. So this trust is working at grass root level to bring overall development of the rural areas.

## What Does UARDT DO?

The UARDT is taking up many social welfare programs like **Education** (Umar Alisha Akshara Jyothi with the aim of eradicating illiteracy), **Health** (Eye camps, free Homeo clinics), **Charity** (Blanket distribution, Clothes distribution, Scholarships), **WomenWelfare** (Sewing machines distribution), **Environment** (Green organics).

**NEW!**
